

GA ORAL DECISION

14 SEPTEMBER 2009

Under this item, intergovernmental negotiations have been conducted in full compliance with GA Decision 62/557, which are still ongoing. May I therefore take it, that the General Assembly decides to immediately continue intergovernmental negotiations on Security Council reform in informal plenary of the General Assembly at its 64th session as mandated by GA Decision 62/557, building on the progress achieved during its 63rd session, as well as the positions of and proposals made by Member States, while noting with appreciation the PGA's and the Chair's initiative and efforts in the process of a comprehensive reform of the Security Council?
